Reverend Hacke Has No Phone, Sets Time For Calling

The Rev. James E. Hacke, Jr., pastor of St. Augustine's Episcopal church, since moving to the new parsonage in the Campus Homes addition, has had no telephone. He states that he is not likely to have that service before July. For this reason he will be at the parsonage chapel at 4:30 p.m. every afternoon Monday through Friday and calls may be made there. The number is WO 7-3311, extension 104.

The Rev. Mr. Hacke has announced that the bishop's committee has appropriated money to insure the services of an organist for the church services. Dr. W. J. Rider has been appointed choir director. He has announced that anyone wishing to join the choir may contact him.
